It is with this confidence in our loving and faithful God that we are now poised to leap into 2019! God opened a door for us to fly to Brazil to encourage the team there in January. In March we will participate in the International Council Meetings in Canada; and plans are in the works to connect with our partners in Panama and Honduras in May! As the year unfolds, we will keep you posted!

Thanks again for your prayers, friendship, giving and encouragement! We appreciate you!!
